CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at pld.iapmo.org

Effective Date: February 2018

Void After: February 2019

Product: Flush Valves

File No. 3642

Issued To: Colceramica S.A.S.
Carrera 18a N 04a-004
Girardota, ANTIOQUIA
Colombia

Identification: Flush valves shall be marked with the manufacturer name or registered trademark or in case of private labeling of the customer for whom the unit was manufactured. This mark shall be readily identified and permanently affixed. The product shall also bear the cUPC® certification mark.

Characteristics: Flush valves complete with optional rubber, vinyl or plastic flapper with stainless steel chain or dacron cord with acetal beads, overflow tube, nut and washer. To be installed with an IAPMO listed anti-siphon ballcock, and in accordance with the requirements of the latest edition of the Uniform Plumbing Code. To be installed in accordance with the manufacturer's instructions and the requirements of the latest edition of the Uniform Plumbing Code.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
